Exclusive & Sole Use

Exclusive use of the Hotel allows much more flexibility for all your arrangements and timings. Imagine yourself as Lord and Lady of the House for a day or two. We pride ourselves on the personal service given to the Bride and Groom, whilst arranging their special day. Our team has a wealth of experience and knows just how to create the right ambiance for that all-important occasion - Penhaven Country House Hotel really is the perfect choice.

Opting for a two-day package would allow your wedding party to arrive the day before the ceremony and the chance to relax and enjoy an informal buffet-supper gathering. This is ideal if your guests are travelling some distance.

Penhaven is one of the most beautiful locations in the West Country and provides the perfect setting for smaller, intimate weddings. Any number of guests from 10 to 60 can be catered for, whether you choose a buffet or a formal meal.

Exclusive Use for One Day £4000 inclusive

of the whole hotel for 24 hours, accommodation for 22 guests with breakfast and VAT at 17.5%.

Exclusive Use for Two Days £6000 inclusive

(as above but for 2 days).

These exclusive use rates are valid until December 2007.
